GOOSE SCRAM PROFESSIONAL™

Natural and Specially Formulated
GRANULAR GOOSE REPELLENT

• **COVERS UP TO 7,700 SQ. FT.** • **FOR ALL SEASON USE** •

EASY APPLICATION INSTRUCTIONS

APPLY USING A ROTARY SPREADER
RECOMMENDED SPREADER SETTING IS 60%.

FOR ALL USES Apply first application at a rate of 1 pound per 350 square feet. For Best Control Re-apply In 14 Days.

PONDS, LAKES RIVERS: Application should be done up to the water beginning at the waters edge. Apply two strips approximately a band 30 feet wide for the areas seeking control in next to the water. If only doing a portion of the water front you should also run a border up the side of the area of control.

OPEN LANDING SPACES: Application should be done in 15 foot wide strips with 10 feet between the strips. This would be on landing areas and other spaces of turf encroached on by geese. If area continues to be used by geese then cover entire area leaving no strips. Apply material in opposite direction from the first application.

OPEN AREAS: Apply 30 ft. perimeter bands anywhere geese are walking onto property from other areas to prevent them from entering.

NESTING: Apply directly in nest.

GOLF GREENS: DO NOT APPLY ON GREENS. Only apply to fringe and rough areas adjacent to greens. Application should be done at the edge of the green with material completely around the green. If goose population is heavy then do two strips around the green with coverage of approximately 30 feet wide in a 30 inch band around the green.

ALL SEASON USE! Application should last 20-25 days.

DO NOT USE on food or feed crops. Do not apply directly to water.

FOR OUTDOOR USE ONLY.

PRECAUTIONARY STATEMENTS: Wash skin after use. Avoid contact with eyes or cuts. If in eyes, flush with water for 15-20 minutes. Call Poison Center or doctor for treatment. **STORAGE:** Store in original sealed container away from direct sunlight or excessive heat. Do not contaminate water by storage or disposal. **DISPOSAL:** Do not reuse empty container. Dispose of properly. Buyer assumes all responsibility for safety & use not in accordance with directions. EPIC represents that this product qualifies for exemption from EPA registration under Section 25(b) of FIFRA and has not been registered by the EPA. **PC5508-20D**
